

The academic heart of ASU

ASU The College
of Liberal Arts and Sciences
Arizona State University

Welcome to The College of Liberal Arts and Sciences at Arizona State University!

As a student in The College, you will become a socially aware, critical thinker, equipped with the skill set to reimagine a better future and address society's most pressing problems. With more than 100 undergraduate degree programs in the humanities, natural sciences and social sciences, you'll have the opportunity to explore your many interests and passions.

Whether you're examining the human experience, conducting research on the physical world, working to improve how societies live, or anything in between — you can build the future you imagine. See for yourself how you can customize your experience with undergraduate research, internships, clubs, global education opportunities and more at thecollege.asu.edu/sun-devil-stories.

Reach out to us with any questions at thecollegeadmissions@asu.edu. Congratulations again on your admission to ASU and welcome to The College community.
